

Standers, Walkers,  
"Gets-It" for Corns

World Has Never Known Its Equal.

"What will get rid of my corn?" The answer has been made by millions—there's only one corn-remover that can be used on that absolutely certain, that makes any corn an earth peel right.

## Corn-Pain Is Eased—The Corn Is Doomed!

off like a banana skin—and that's magic "Gets-It." Tight shoes and dancing even when you have a corn need not disturb you if you apply a few drops of "Gets-It" on the corn or callus. You want a corn-remover, not a corn-buster. You don't have to feel with corns—you feel them right off with your fingers by using "Gets-It." Cutting makes corns grow and bleed. Why use irritating salves or make a bundle of your toe with tape or bandages? Why putter and still have the corn? Use "Gets-It"—your corn-pain is over, the corn is a "gone" sure as the sun rises. "Gets-It" the guaranteed money-back corn-remover, the only sure way, costs but a trifle at any drug store. M'd by E. Lawrence & Co., Chicago, Ill.—Adv't.

CAPT. HARRY FROTHINGHAM  
GASSED AND SHELL SHOCKED  
LEADING HIS MEN OF 308TH

CAPT. H. A. FROTHINGHAM

Capt. Harry A. Frothingham, Company K, 308th Infantry, reported gassed and a victim of shell shock in a base hospital, in a letter to his mother, written two days after his mishap, appeared most cheerful.

"My company has been fighting all day on Sept. 12," he writes, "and I retired them to a wood for a rest. One of the boys spotted a machine gun leveled at us, and I told the boys to blaze away. Two bombs and half a dozen pistol shots and thirty Germans beat it. We got them."

"Two days afterward I got mine. We were lying in a dug, which is about eighteen inches deep, on the firing line, when a whizzbang came along and rolled me over about three times. Heavy! it took the wind out of me, and I got a dandy case of shell shock, and here I am in the hospital."

The Captain's mother and sister, Miss Frances, eighteen, and very pretty, live at No. 459 Fifty-third Street, Brooklyn. Miss Frances has been very active in Liberty Loan, Red Cross and other drives. She has a blind dog called "Tricky." During the drive she takes Tricky along, labeled "I am blind; drop as much as you like." Miss Frances says that the "drop" has helped her for the boys across the sea.

The Best Cough Syrup  
Is Home-made

Here's an easy way to save \$2. and yet have the best cough remedy you ever tried.

You've probably heard of this well-known plan of making cough syrup at home. But have you ever used it? When you do, you will understand why thousands of families, the world over, feel that they could hardly keep house without it. It's simple and cheap, but the way it takes hold of a cough will quickly earn it a permanent place in your house.

Into a pint bottle pour 2½ ounces of Pinex; then add plain granulated sugar syrup to fill up the pint. Or, if desired, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way it tastes good, never spoils, and gives you a full pint of better cough remedy than you could buy ready made for three times its cost.

It is really wonderful how quickly this home-made remedy conquers a cough—usually in 24 hours or less. It seems to penetrate through every air passage, loosens a dry, hoarse or tight cough, lifts the phlegm, heals the membranes, and gives almost immediate relief. Splendid for throat tickle, hoarseness, croup, bronchitis and bronchial asthma.

Pinex is a highly concentrated compound of genuine Norway pine extract, and has been used for generations for throat and chest ailments.

Avoid disappointment by asking your druggist for "2½ ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.—Adv't.

Lady Druggist's Advice  
Taken

"My sister-in-law is a druggist. She told me of several bad stomach and liver cases which were benefited by taking Mayr's Wonderful Remedy and advised me to try it. I had numerous bad attacks due to bloating and had almost constant pain in my stomach before getting your remedy. I am feeling fine now." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Liggett-Riker, Jaynes and druggists everywhere.—Adv't.
